Our program has been designed for the student to develop their skills with more attention in these three major areas of study. As a result you will see a stronger performance from your child as well as a more polished production from an artistic standpoint. I'm excited to announce that our department will be bringing back a LIVE orchestra for Annie Kids (ages 7-11), Seussical Jr. (teens) and our returning adult program (ages 19 & up) The Midnight Cabaret. Singing with a live orchestra really adds to the experience for each student.

Please visit our website at [www.visionarycollege.ab.ca](http://www.visionarycollege.ab.ca) on a monthly basis for updated program information and our monthly newsletter as well as monthly video commercials. We will feature students participation each month! Our parent committee will be developed by the middle of September. If you are interested in supporting your child's performance and their experience please email me when you get the opportunity. I would like to work with each of you to ensure you and your child has a phenomenal experience.

We have a new team ready to take action with our Theatre Arts Department. Dana Petterson will be instructing our Teen and ages 7-11 theatre programs in South Edmonton, and joining her will be Danielle Able who is our 5-6 year old program instructor. Both are super excited to get underway and will be under the management of Curtis Labelle. Jessy Mossop will be our ages 5-6 program instructor in St. Albert and myself (Curtis Labelle) will be the 7-11 year old and teen program instructor in St. Albert.

Thank you for everything and I am thrilled to get this year started! Remember if you have any questions comments or concerns, please ask me anything. I'm here to help!
